

EMPLOYMENT OPPORTUNITY: SURVEY FIELD CREW CHIEF

Our **Vienna, Illinois** office has an opening for a full-time survey field crew chief. Candidate will be expected to perform survey field crew chief tasks as listed below, with other expectations as assigned.

Basic tasks include working under the direct supervision of the Professional Land Surveyor and/or Project Manager, providing direction to other survey field technicians on site, meeting with clients on site, using field equipment to collect data, preliminary field work, corner searches, staking, oversight of field computations, maintaining records and field notes, upkeep and inventory of equipment and supplies, assisting in the training of field technicians, performing court house research, and the ability to read and understand maps and the rectangular system of surveying.

For immediate consideration, please email a cover letter and resume, with salary expectations, to zgarrett@shawneepsi.com. Materials can also be mailed to PO Box 125, Vienna, Illinois 62995-0125. A drug test and/or background check may be administered before or after hire; occasional drug tests will be a condition of ongoing employment.

Minimum Qualifications

- One to three years of field experience (or closely related)
- Effective mathematics and communication skills
- Time management and organization skills
- Basic technological proficiency (email, mobile devices)
- Willingness to travel to job sites
- Active driver's license
- Physical ability to work 8-hour days and walk at least one mile in outdoor terrain

Preferred Qualifications (not required)

- Three to five years of survey experience
- Some higher education (e.g. Associate degree)
