

EMPLOYMENT OPPORTUNITY: SURVEY FIELD TECHNICIAN

Our **Vienna, Illinois** office has an opening for a full-time survey field technician. Candidate will be expected to perform survey field technician duties as listed below, with other expectations as assigned.

Basic tasks include working under the direct supervision of the Professional Land Surveyor, Project Manager, and/or Survey Field Crew Chief, using field equipment to collect data, preliminary field work, corner searches, staking, maintaining records and field notes, upkeep and inventory of equipment and supplies, and other related tasks.

For immediate consideration, please email a cover letter and resume, with salary expectations, to zgarrett@shawneepsi.com. Materials can also be mailed to PO Box 125, Vienna, Illinois 62995-0125. A drug test and/or background check may be administered before or after hire; occasional drug tests will be a condition of ongoing employment.

Minimum Qualifications

- Effective communication skills
- Time management and organization skills
- Basic technological proficiency (email, mobile devices)
- Willingness to travel to job sites
- Physical ability to work 8-hour days and walk at least one mile in outdoor terrain

Preferred Qualifications (not required)

- Survey experience (or related)
- Associate degree or higher
